A foul breath is one of the greatest afflictions that a man or woman can have. An affliction not only to themselves, but to those with whom they come in contact. A foul breath is a great discourager of affection. It would probably be more so if people only realized just what bad breath means. Bad breath is one of the symptoms of constipation. Some of the other symptoms are sour stomach, loss of appetite, sick and bilious headache, dizziness, heartburn and distress after eating. These things mean indigestion. They lead to dyspepsia and worse things. They all start with constipation, and constipation is inexcusable because it can be cured—easily, quickly and permanently, by the use of Dr. Pierce's Pleasant Pellets. They give to nature just the little help that she needs. There is no case of biliousness, constipation, indigestion, "heartburn," or any of the rest of the night mare breeding brood, that these little Pellets will not cure.

A small shepherd dog strayed or was stolen from the premises of Elder J. H. Wallingford recently. Any one knowing of a stray dog of that kind would confer a great favor to let Elder Wallingford know of it.

### Household Gods.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of to-day is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of throat, chest and lungs little invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottles at J. J. Wood's drug store. Regular size 50c. and \$1.00.

# BOSTON'S GREAT PREACHER.

The Rev. J. B. Brady, D. D., Advises His Many Parishioners to Take Paine's Celery Compound.

The Rev. James Boyd Brady, pastor of the People's Temple, in Boston, presides over the destinies of the largest Methodist Church in the country.

Big, candid, Scotch-Irishman that he is, Dr. Brady has built up the Temple financially and numerically, and to-day he is pastor of a flock of 1700.

Dr. Brady devotes himself with unflinching courage to anything he undertakes. The chief characteristic of his ministry has been progress, in number, financial condition and moral and spiritual growth. He is a man of plain, but vigorous words. So much has been said and written about Dr. Brady—his work, his progressive methods, his eloquence and his power as a minister, that the following letter from him will be convincing and helpful to many persons besides the large number who are every Sunday influenced for good by his powerful preaching. He writes:

Boston, September 27, 1897.  
Paine's Celery Compound, if widely and wisely used, would relieve nervousness, soothe restlessness, reduce sickness, strengthen the body, invigorate the mind and add years of happiness to life.

JAMES BOYD BRADY,  
Pastor People's Temple.  
The man or woman who does not take time to get well will sooner or later have to take time to be ill.

Many live under the needless infliction of indigestion, nervousness, constipation and general weakness, and endure the consequent loss of health without considering how easily the cause of all this illness might be remedied.

Needful nerve and tissue nourishment is at the bottom of all permanent building up of the health.

Paine's Celery Compound looks out for the insidious weakening of the nervous system through malnutrition. It gives a healthy tone to the stomach, increases the blood supply, quiets and equalizes the irritated nerve action and promptly feeds the tissues when the bodily vigor is at its lowest ebb, and should not be further taxed.

The only cure, therefore, for rheumatism, neuralgia or general debility that is lasting in its good effects must rest on a radical cleansing of the blood and a building up of the nervous tissues. All this is best done by Paine's Celery Compound, because this remarkable remedy begins at the beginning, wherever there is disease, and establishes the health firmly and without any fear of falling back.

The worn-out person who cannot sleep should take Paine's Celery Compound. It is folly to imagine that every hour taken from sleep is an hour gained. Nothing undermines health and energy like loss of sleep. The nervous system suffers as much from lack of sleep as

from lack of nourishment. Both may be supplied and a healthy condition insured by using Paine's Celery Compound.

The stay and staff of sound health is well nourished and well regulated nerves. Sufferers from sleeplessness, nervous dyspepsia or headache may be sure that every reservoir of nerve force has been tapped and exhausted by work, worry, too little sleep, or faulty nourishment, because of poor digestion and assimilation. As soon as such signs of nervous exhaustion are noticed, shaky hands, broken sleep, poor appetite, wasting diseases, neuralgia or dyspepsia, take advantage of the remarkable restorative and regulating action of Paine's Celery Compound.

Nervous disorders increase in a sort of compound ratio. It is a thousand times easier to put a stop to nervous debility in its earlier stages than later on to correct nerve and brain exhaustion, that may be complicated by heart, kidney or some other organic trouble.

Paine's Celery Compound must not be confounded with any of the plausible sounding, but really temporary make-shifts, whose cures are never permanent nor thorough-going, and only bring deferred hopes that make the heart sick. Paine's Celery Compound is the greatest nerve and brain invigorator and most reliable blood purifier the world has ever been blessed with.

### Something to Know.

It may be worth something to know that the very best medicine for restoring the tired nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the liver and kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c. or \$1.00 per bottle at J. J. Wood's drug store.
